## Opening of the South Pole

AS I stand upon the physical earth,  
I do what the angels ask,  
Acknowledge their vortex of entrance  
At the South Pole,  
65 degrees south latitude,  
139 degrees east longitude.  
With all our intentions, we hold this  
door open  
For the mass entrance of angels only.

## Opening and Closing of the North Pole

AS I stand upon the physical earth,  
I do what the angels ask,  
Acknowledge their vortex of exit  
At the North Pole,  
82 degrees north latitude,  
114 degrees west longitude.  
With all of our intentions,  
We hold this door open  
For the mass exits of angels only.  
We know that when we call,  
You will be there for us,  
And close this exit with intention.

ALL MEN.

## Songs of Farewell

**A:** And now we must return  
To our angelic realm.  
From there we hear your prayers  
And lend support.  
As always, all you have to do is ask  
And then be still and know  
That we are there.  
Carry this gift you have received today  
Into the world  
And share it with the others  
of your kind.  
This is the service that we ask of you.

**H:** We seal your gifts with love  
And songs of praise.  
We are reborn as servants to the light.  
We remember you in our hearts  
Which overflow with gratitude.  
Our gratitude to angels is forever  
Imprinted in our DNA  
For those who follow us.

**Voicing Farewell**

**H:** Thank you for helping us to remember  
The time we spend together in this place.  
Thank you for the healing we receive  
And for easing our transitions  
From one life to the next.  
Help us maintain our connection with you  
Consciously in heart and mind.  
Support our human evolution  
By helping us to follow-through  
With action steps expressing spiritual light.  
May we continue our dance  
Upon the earth,  
Renewed by your Etheric presence here.  
Continue to support our follow-through  
That it be filled with Grace and Light,  
Firm with intent,  
Inspired from above,  
Grounded and stable below,  
Rooted in the highest good of all.

**ALL MEN.**

## Angels of the Hours of Day and Night

### Voicing Farewell

**A:** It is now time for you  
 To return renewed, reborn,  
 To dance our sacred dance  
 Upon the earth.  
 We rely on you to carry  
 To the physical earth plane  
 The imprint of love and light  
 That you have received  
 While dancing in our realm.  
 Remember the dance  
 You danced with us so well  
 In the place where you choose  
 Learning for your soul.  
 Carry the wisdom with you  
 In your Heart,  
 Along with gratitude  
 For your ability to choose  
 The reality you manifest  
 Each lifetime.

## Celebration of Memory

**A:** Celebrate with us the memory of who you truly are.

**H:** We ask to remember. We ask to know the truth.

**A + H:** So it is.

**A:** You are so much more than what you think you are.

**H:** We ask to remember. We ask to know the truth.

**A + H:** So it is.

**A:** We hold these memories for you until you are ripe for them.

**H:** Help us to ripen so that we may remember. Help us to ripen so that we may know the truth.

**A + H:** So it is.

**A:** Ripeness comes with the clearing of old energies that no longer serve.

**H:** Help us be clear so that we may remember. Help us be clear so that we may know the truth.

**A + H:** So it is.

**H:** As we ripen to recognition of these energies in our life, we hold them to the light so that they may be healed.

**A:** We carry healing to you on etheric waves, flying to you always in celebration of the moment when your memory returns.

**A + H:** Then we will dance and sing, celebrating together in love and joy.

ALL MEN.

**A:** We are dancing for you now. Come dance with us. Lift up your soul. Let it be filled with grace.

**H:** We join you in your dance, our hearts overflowing with gratitude. We dance with you in joy, in co-creation, our bodies light as Light, graceful as Grace.

**A + H:** This is the ancient dance of creation.

We harmonize our movements and our actions with the rhythm of the universe. Our angelic-human partnership in dance unites us. We are one with the flow of Grace. We move together as one body, one heart, choreographing new forms of expression for human souls and angelic presence. Each time we come together, the dance evolves. Together we leap higher and higher, winding and unwinding the fabric of human lives and angelic purpose. So it is.

## Dancing in the Tunnel

**A:** It is time to remember the tunnel through which you passed into and out of incarnation after incarnation.

**H:** We remember.

**A:** Here we danced together the dance of your soul.

**H:** We remember.

**A:** Remember the vision of the bright light of the tunnel stretching out before you.

**H:** We remember.

**A:** Remember the feeling of moving through the tunnel into the light.

**H:** We remember.

**A:** Remember the sound of celestial music ringing in your ears.

**H:** We remember.

**A:** Remember breathing in deep inhalations of the sublime fragrance.

**H:** We remember.

**A:** Remember the taste of divine nectar flowing through creation.

**H:** We remember.

**A:** Remember that you are this light. You are the music too. This divine presence that you sense is you.

**H:** Now we remember. Now truth is revealed.

## Erasing Denial

**A:** Now it is time to erase the energies of denial from your memory banks. These energies blanket what you used to know, cloaking it in the thick illusion of limitations that prevent you from shining your full light.

**H:** We let go of the energies of denial and ask that we be healed and whole so that our memory may be cleared.

**A:** And if denial reappears in you, call on us again to clear and heal. You only need to ask and it is done.

**A + H:** So it is.

## Evaporating Anger

**A:** Now it is time to evaporate the energies of anger from your memory banks. These energies poison truth, instilling in it the burning illusion of limitations that prevent you from expressing your full love.

**H:** We let go of the energies of anger and ask that we be healed and whole so that our memory may be cleared.

**A:** And if anger reappears in you, call on us again to clear and heal. You only need to ask and it is done.

**A + H:** So it is.

## Breaking Bargaining

**A:** Now it is time to break the energies of bargaining from your memory banks. These energies weaken your ability to receive what is your birthright as again and again you place conditions on your service to God.

**H:** We let go of the energies of bargaining and ask that we be healed and whole so that our memory may be cleared.

**A:** And if the habit of bargaining reappears in you, call on us again to clear and heal. You only need to ask and it is done.

**A + H:** So it is.

## Elevating Depression

**A:** Now it is time to uplift and elevate the energies of depression within your memory banks. These energies weaken your ability to integrate as again and again you allow yourself to become stuck in pain instead of celebrating lessons learned.

**H:** We elevate the energies of depression and celebrate our painful lessons. We ask that we be healed and whole so that our memory may be cleared.

**A:** And if you sink back into depression, call on us again to clear and heal. You only need to ask and it is done.

**A + H:** So it is.

## Absorbing Acceptance

**A:** Now it is time to absorb the energies of acceptance into your memory banks. These energies strengthen your capacity for memory as you allow yourself to embrace the whole of your experiences, light and dark.

**H:** We absorb the energies of acceptance and ask that we be healed and whole so that our memory may be cleared.

**A:** And if your ability to absorb acceptance becomes blocked, call on us again to clear and heal. You only need to ask and it is done.

**A + H:** So it is.

**A:** Now is the time to absorb the energies of acceptance into your hearts. We give you the gift of forgiveness so that you may let go of judgments about yourselves and each other.

**H:** We are grateful for this gift.

**A:** We wrap you in the energy of compassion to ease the process so that acceptance is absorbed in the core of your being.

**H:** We are grateful for this gift.

**A:** Acceptance is crucial to remembering. Absorb acceptance of your past and present NOW.

**H:** With gratitude we absorb the energies of acceptance into our hearts.

**A + H:** ALL MEN.
